

Meet **Clark**, Clark is a virtual assistant for tutors. Imagine a world where every independent educator had the assistance they did to run and scale their own business and where every teacher could effortlessly transition into a tutor.

Clark handles all of your day-to-day activities, **frees up multiple hours** per week and **reduces your cancellation rate by half**. Clark gets you **paid on time**, provides **progress reports** to your students, and keeps **everyone informed** when things change. Access Clark wherever you are—**SMS, email, or native app**. Let us handle the busywork so you can **focus** on the important work: **teaching**.

Clark is the **fastest** growing edtech company working with **educators** outside the classroom. You can read more about the Clark Team in **AM New York** or listen to the CEO on **33Voices**

Clark makes it **easy** for you to develop a clientele by **matching you with students** in your area. Being a Clark Tutor gives you **access to resources** and **real-life assistants** who can help you **develop the skills** you need to run a business.

Clark matches you with less experienced tutors for **mentorship and referral relationships** so you can **build a business** beyond your own capacity.
